Snare Captures Senior Golfers' Tilden and Johnston to Play
For Net Championship To-day

Little Californian Scores Sensational Triumph Over
Richards 8-6, 6-2, 6-1; Title Holder Defeated
Patterson 4-6, 6-4, 6-3, 6-1 at Philadelphia

It isn't often that a president of a golf association is also its champion, yet that is what this year brought forth to Frederick Snare, of Garden City. Snare, who has been leading the local breed in golf since the first tournament at the Apawamis Club, won the chief honors with a thirty-six hole score of 182, two strokes better than his nearest rival, Martin Gordon, of Philadelphia, Sept. 15.—It will be William T. Tilden 24, national singles champion, against William M. Johnston, of California, twice a holder of that title, when the final and championship match in the men's national tournament is played to-morrow afternoon at 3 o'clock, on the championship courts of the Germantown Cricket Club, at Manheim.

Johnston was the first to earn his final bracket by defeating Vincent

Tennis Prince S.

At the annual meeting held on Wednesday, Snare was elected president and United States Senator Gale Richards, of New York, at 8-6, 4-2, 6-1, and Tilden followed by vanquishing Gerald L. Patterson, of Australia.

cent of the United States Seniors who were invited to Monterey, Calif., and although he did not realize it at that time, he had already won the golf competition. He was one of the few who played round in the morning. To him, he had the distinction of returning a card of 77, the lowest ever made in a seniors' event, and on the following day took 86 for a total of 162.

There were only three men who had a chance to beat Sharr for first position. They were H. S. Redfield, of Hartford; James Tyng, of the National Links, and Condon. The last named, having his last eighteen holes yesterday, had a 79 to his credit, but he needed an 85 for his second circuit. Redfield and Tyng each had chalked up an 81, but Condon, on his next attempt, and Tyng put himself out of the running entirely with a 90.

With a great deal of figuring and hitting still to be done, it is impossible to pick out the absolute winners of each division for each position. However, a tentative prize list shows the following with a good chance to carry over to the next day.

Tuesday and Wednesday Class A, George H. N. Johnson, low net, 210-74-145; gross, J. R. Gilkeson, 93-103-196; selected net, Horace L. Hotchkiss, 91-94-185; gross, George Wright, 91. Class B, P. B. At 4-6, 6-4, 4-3, 3-6, 1-1, in the other semi-final match. Both matches were superbly played, and a gallery of more than 10,000, the capacity of the stands, spurred the contenders on continually by storms of applause. Johnston required just under an hour to eliminate young Richards while Tilden required almost an hour and a half before the stalwart Patterson would admit defeat.

The keenest fighting for the points occurred in the opening set between Johnston and Richards, when the men alternated on winning their services game up to 4-all. Johnston then broke through for a lead of 5-4, but Richards, by a wonderful exhibition of play, returned the compliment by taking the Californian's service and then winning his own to "love," thus gaining the lead at 6-5. Right here came Richards' great opportunity to win the set, but he could not stand up against Johnston's terrific attack, the Californian winning the twelfth game at "love" and then adding the next two for 6-0, at which point Richards was never thereafter threatened.

Richards Makes Great Effort

In that first set we saw Richards at his best. Lacking the speed and pace of Johnston on ground strokes,

Redfield, Hartford, 167; net low, Louis H. Losee, Richmond County, 167.

Even though he didn't win chief honors, Condon had the satisfaction of leading his section—which played the low gross—wins of the tournament—for the gross average that started out well enough for his final round yesterday, but a 7 at the ninth hole, and a pair brought in his total of 144. Condon finished in 42 and came back in 43, as follows:
